Learn many different techniques for making your own stitched books (pamphlet stitching, exposed bindings, figure 8 stitching, stab-bindings and more).

The books you make in these classes are great for storing your photos and memorabilia or for recording your thoughts.

You will be shown lots of different variations of these techniques and make samples of those that appeal to you.

These classes are for complete beginners as well as those who want to learn new techniques.

INTRODUCTION TO CALLIGRAPHY (including Layout & Design)

Dates: 3, 10 & 17 November & 8 December, 2024 (4 Sunday afternoons), 1- 5.30pm

Cost: \$280 includes all materials (calligraphy felt pen, supplies & instructions)

OR \$293.41 through Humanitix ... scan QR code or <https://events.humanitix.com/introduction-to-calligraphy-including-layout-and-design>

Learn to write basic Italic and Roman letterforms. These versatile and elegant lettering styles are perfect for writing poems, certificates and invitations, and for adding a special touch to your journals and artist books. You will experiment with a wide variety of calligraphy tools, and learn spacing techniques, interesting variations and flourishing, and the characteristics of many other different scripts. Well-planned layout is just as important as nicely-formed letters, so students will be shown useful techniques for creating pleasing designs, and using borders and colour effectively. Suitable for complete beginners as well as those wishing to refine their calligraphy skills.
